Local, State & Federal agencies will be hosting four regulatory workshops around South Carolina.

Training Objective: To provide information to the regulated public about regulations pertaining to Sections 404 and 401 of the Clean Water Act, as well as Section 10 of the Rivers and Harbors Act.

Topics include:

- Jurisdictional Determinations
- Nationwide Permits
- Corps Permitting & Alternatives Analysis
- State Permitting & Requirements
- Mitigation Banking in South Carolina

Target Audience: Environmental Consultants, Resource Agencies, Developers, Landowners, and interested members of the public.
