SPECIAL PUBLIC NOTICE

CHARLESTON DISTRICT REGULATORY DIVISION OPENING A GREENVILLE OFFICE AND CONVERTING TO COUNTY BASED SERVICE AREA FOR OFFICE COVERAGE IN SOUTH CAROLINA

The purpose of this notice is to advise the public that the U.S. Army Corps of Engineers, Charleston District, has opened a new Regulatory Field Office in Greenville, South Carolina. This new location will enable Charleston District to better serve the upstate of South Carolina by reducing travel times and increasing accessibility to the public in this area of the state.

In addition to opening this new office, Charleston District is moving to a county based area of coverage for each of its four office locations in South Carolina. This change will make it easier for the public to determine which Regulatory Office should be contacted with questions or when submitting applications pertaining to the U.S. Army Corps of Engineers Regulatory Program.
