

**NOTICE OF AVAILABILITY
FINAL ENVIRONMENTAL IMPACT STATEMENT
PROPOSED MARINE CONTAINER TERMINAL
AT THE CHARLESTON NAVAL COMPLEX
NORTH CHARLESTON, SOUTH CAROLINA**

The Final Environmental Impact Statement (EIS) for the Proposed Marine Container Terminal at the Charleston Naval Complex is available for public comment. In response to requests that were submitted by individuals, organizations, and elected officials, the Corps has elected to extend the comment period for the FEIS. The 30-day **comment period** that began on December 15, 2006, and was scheduled to conclude on January 16, 2007, **has been extended until Friday, February 2, 2007**. The South Carolina State Ports Authority (SCSPA) and the South Carolina Department of Transportation (SCDOT) are the permit applicants for the Proposed Project, which consists of the development of the proposed port facility and an access roadway that provides a direct connection between the port facility and Interstate 26.

Final Environmental Impact Statement

Comments that are received in response to the final EIS will be considered in our overall evaluation of the Proposed Project. The final EIS includes a number of updates and revisions that were made to the Proposed Project, additional studies that were conducted, text changes, and responses to comments that were submitted regarding the Proposed Project and the draft EIS. The changes include the following: Alternative 1D was identified as the proposed access roadway, SCSPA and SCDOT submitted modifications to their permit applications, the proposed mitigation plan has been revised and expanded, and air quality analyses, traffic analyses, and sediment analyses have been completed.

Comments should be submitted to the Corps of Engineers in one of following ways.
