Corps is holding a Public Information Workshop and Scoping Meeting

Feb. 26, 2004

CHARLESTON, S.C.--- The U.S. Army Corps of Engineers wants to get your input for their Environmental Impact Statement on the Port Authority's proposed marine container terminal at the former Navy Base in North Charleston. The Corps is holding a Public Information Workshop and Scoping Meeting Tuesday, March 16 at Sterett Hall in North Charleston beginning at 5 pm. For more information visit www.portEIS.com or call 971-7970. This message is brought to you by the U.S. Army Corps of Engineers – Keeping the Public Informed.
