

## Mitigation Banking Email Mailing List Services

This is intended for anyone with an interest in Mitigation Banking for wetlands and other aquatic systems. If you are one of those people, then you may want to consider joining one or more of the Mitigation Banking Email Forums described below. To learn about how these services visit <http://www.onelist.com/>.

### **1. The MBRT Forum.**

This is a discussion forum that is open to the public. The topic of the forum is Mitigation Banking (in any State or any Country) for impacts to aquatic sites and the work of Mitigation Banking Review Teams. The forum is intended to help facilitate the exchange of ideas, comments, questions, general discussion, and posting of announcements involving the forum topic. Messages posted in this forum are stored in a publicly accessible archive on the web. You can join the MBRT Forum on the following web page:

<http://www.onelist.com/subscribe.cgi/mbrt>

### **2. The MBRT-SC Forum.**

This is an announcement only forum that is open to the public. The topic is Mitigation Banking for impacts to aquatic sites in SOUTH CAROLINA and the work of the South Carolina Mitigation Banking Review Team. This forum is used to distribute special items such as meeting schedules, agenda, and other general announcements by the SCMBRT. You can join the MBRT-SC Forum on the following web page:

<http://www.onelist.com/subscribe.cgi/mbrt-sc>

### **3. The MBRT-SC-P Forum.**

This forum is open to the public. The topic of this forum is Mitigation Banking for impacts to aquatic sites in SOUTH CAROLINA and the work of the South Carolina Mitigation Banking Review Team. The forum is intended to help facilitate the exchange of ideas, comments, questions, general discussion, and posting of announcements involving the forum topic. Messages posted in this forum are stored in a publicly accessible archive on the web. You can join the MBRT-SC-P Forum on the following web page:
