CESAC-RD

2 May 2003

PUBLIC NOTICE

TO WHOM IT MAY CONCERN:

The Charleston District issued during the month of January 2003, **28** Department of the Army permits for docks, dredging, bulkheads and other structures or works in Waters of the United States pursuant to Section 10 of the Rivers and Harbors Act of 1899 (33 U. S. C. 403 and /or Section 404 of the Clean Water Act (33 U. S. C. 1344), to the permittees listed on the attached enclosure. There were **no** applications denied and **4** applications retired, or withdrawn during the month of January 2003.

The Charleston District issued during the month of February 2003, **43** Department of the Army permits for docks, dredging, bulkheads and other structures or works in Waters of the United States pursuant to Section 10 of the Rivers and Harbors Act of 1899 (33 U. S. C. 403 and /or Section 404 of the Clean Water Act (33 U. S. C. 1344), to the permittees listed on the attached enclosure. There were **23** applications denied and **8** applications retired, or withdrawn during the month of February 2003.

The Charleston District issued during the month of March 2003, **30** Department of the Army permits for docks, dredging, bulkheads and other structures or works in Waters of the United States pursuant to Section 10 of the Rivers and Harbors Act of 1899 (33 U. S. C. 403 and /or Section 404 of the Clean Water Act (33 U. S. C. 1344), to the permittees listed on the attached enclosure. There were **no** applications denied and **1** applications retired, or withdrawn during the month of March 2003.

Prior to issuance of the permits, evaluation was made on factors affecting the public interest; including, but not limited to, conservation, economics, aesthetics, general environmental concerns, wetlands, historic properties, fish and wildlife values, flood hazards, flood plain values, land use, conservation, water quality, energy needs, safety, food and fiber production and in general, the needs and welfare of the people. Copies of these evaluations are available upon request.

Robert H. Riggs
Chief, Regulatory Division

Enclosure
