OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
1362 McMillan Avenue, Suite 400
Charleston, South Carolina 29405

REGULATORY DIVISION

Refer to: P/N #2002-1W-125-P

30 JANUARY 2004

On April 19, 2002, a public notice was issued for a permit application pursuant to Section 10 of the Rivers and Harbors Act of 1899 (33 U.S.C. 403), Sections 401 and 404 of the Clean Water Act (33 U.S.C. 1344), and the South Carolina Coastal Zone Management Act (48-39-10 *et seq.*) to the Department of the Army and the S.C. Department of Health and Environmental Control by

CHARLESTON COUNTY PARK & RECREATION COMMISSION
c/o COASTAL SCIENCE & ENGINEERING, LLC
ATTN: MR. TOM WHITE
POST OFFICE BOX 8056
COLUMBIA, SOUTH CAROLINA 29202

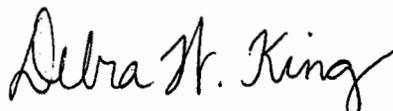

for a permit to construct a terminal groin, perform excavation and place fill material in and adjacent to the

ATLANTIC OCEAN

at a location along the south spit of Folly Beach, Charleston County, South Carolina (Latitude 32.6°, Longitude 79.9°)

The location of the groin was proposed at station 100+00, however, the applicant sought approval to locate the groin anywhere between OCRM survey lines 2803 and 2905. The project was reviewed and a Department of the Army permit was issued on July 3, 2003 with a Special Condition that required the applicant to finalize the design (length) and location of the terminal groin. The proposed location of the groin and the proposed length of 670 feet did not change. This second public notice is now being issued to advertise this information and to comply with the condition of the issued permit.

If there are any questions concerning this public notice, please contact me at A/C 843-329-8044 or toll free at 1-866-329-8187.
