CESAD-PDP 17 September 2020

MEMORANDUM FOR Commander, U.S. Army Corps of Engineers, Charleston District, 69 A Hagood Avenue, Charleston, SC 29403-5107

SUBJECT: Approval of the Review Plan for the Lumber River Basin, North Carolina, Flood Risk Management Study

1. References:

2. Charleston District (SAC) prepared and submitted for review and approval the review plan for the Lumber River Basin, North Carolina Flood Risk Management Study. The National Flood Risk Management Center of Expertise, CESPD-PDP (FRM-PCX), provided SAC their endorsement of the Review Plan and concurrence to exclude Independent External Peer Review (IEPR) request on 20 July 2020.

3. I approve the enclosed review plan and the request for exclusion from IEPR. The approved review plan is subject to change as circumstances require, consistent with study development under the project management business process. Subsequent revisions to this approved review plan due to significant changes in the study, study scope, or level of review will require new written approval from this office.

4. The point of contact for this action is Ms. Kenitra Stewart at 404-562-5226, kenitra.a.stewart@usace.army.mil.
