Legend

Soundings: Soundings are shown in feet. The color of the sounding indicates the depth: Blue for depths greater than 10 feet, Yellow for depths less than 10 feet, and Red for depths less than 5 feet.

Obstructions: Obstructions are shown with a black cross symbol. The symbol indicates the type of obstruction: A black cross with a dot indicates a wreck, a black cross with a circle indicates a buoy, and a black cross with a triangle indicates a light.

Other Symbols: Other symbols include a black circle with a dot (Marker), a black circle with a cross (Light), and a black circle with a triangle (Buoy).

Scale: 1 inch = 227 feet

North Arrow: The north arrow points towards the top of the chart.
