of Engineers  
Charleston District

# Project Fact Sheet

## Project Condition Surveys, SC

P2#: 476957

---

**Congressional Districts:** Nancy Mace (SC-01) Tom Rice (SC-7)

**Appropriation:** Operation & Maintenance  
**Phase:** NA  
**Business Line:** Navigation

**Authority:** Section 7, Rivers and Harbors Act of 1899

**Location** Multiple  
**Description:**

**Project Description:** Perform condition surveys of existing navigation channels to determine the depth so we can provide channel conditions to waterway users.

**Current Status:** As of 22 April 2021 - Funds are being utilized to perform surveys on navigation projects which were not funded for operations and maintenance in the President's budget. Thus far in FY21, these funds have been used to assess conditions of 14 channels along the South Carolina coast. Hydrographic maps of these conditions surveys are provided to the public (<https://www.sac.usace.army.mil/Missions/Navigation/Hydrographic-Maps/>)

**Sponsor:** NA
