P2#: 114026

Congressional Districts: Mark Sanford (SC-1) Joe Wilson (SC-2) Jeff Duncan (SC-3)
Trey Gowdy (SC-4) Ralph Norman (SC-5) James Clyburn (SC-6)

Appropriation: Investigations **Phase:** NA **Business Line:** NA

Authority: Section 206, P.L. 86-645

Location Description: NA

Project Description: This program permits us to use our technical expertise in flood plain management to help others outside the Corps. Upon request, we will furnish states, counties, cities, Indian tribes, and certain Federal agencies with flood hazard information, technical services, and planning guidance without charge. The Program also conducts special studies to improve methods and procedures for flood damage prevention and abatement, and provides guides and pamphlets on topics such as flood proofing, flood plain regulations and other flood plain management topics. Assistance includes flood hazard evaluations, discharge, flood information.

Current Status: This program is not listed by individual state or project in the President's budget only by total program needs. Funds will be utilized to provide a broad range of information, technical assistance and planning guidance related to floodplain management for federal, state, local, private, non-profit interests. Information includes guides, pamphlets and supporting studies, Assistance includes flood hazard evaluations, discharge, flood information. FPMS funds are used to coordinate with customers for other studies, such as special studies or Hurricane Evacuation Studies.
