Description:

Project Description: This program permits us to use our technical planning expertise to supplement and support state and Indian tribe efforts to undertake broad, statewide, comprehensive water resources planning. PAS studies are cost shared 50% Federal and 50% local. The non-Federal share may be provided as cash or a mix of cash and in-kind services or 100% work in-kind. Typical problems and opportunities studies under this program are related to flood damage reduction, water supply, water conservation, water quality, hydropower, erosion, navigation, and related environmental resources.

Current Status: As of 26 November 2018 - Coordination efforts are ongoing to manage the program. Letters of interest have been received from Turkey Creek, Hanahan, SC; Ancrum Swamp/Goose Creek, SC; Berkley County, SC; Horse Range Watershed, Orangeburg County, SC, and Horry County, SC various sites. A PAS agreement has been executed for the City of Hanahan, and a scope is currently under review Ancrum Swamp/Goose Creek.
