---

<b>Congressional Districts:</b>	Joe Cunningham (SC-1)	Joe Wilson (SC-2)	Jeff Duncan (SC-3)
	William Timmons (SC-4)	Ralph Norman (SC-5)	James Clyburn (SC-6)

<b>Appropriation:</b>	<b>Phase:</b>	<b>Business Line:</b>
Construction - Continuing Authority	NA	NA

**Authority:** Each section has its own authority.

**Location** NA

**Description:**

**Project Description:** The Continuing Authorities Program (CAP) is a group of 10 legislative authorities under which the Secretary of the Army, acting through the Chief of Engineers, is authorized to plan, design and construct certain types of water resources and environmental improvements without specific Congressional Authorization.

The purpose of the CAP is to plan and implement projects of limited size, cost, scope, and complexity. Although there is no specific minimum project size or cost, very small projects are not pursued under CAP as they should be implemented by other Federal or non-Federal entities, and large or complex problems are pursued under the specifically authorized programs. This program is cost shared between the Federal Government and the non-federal sponsor.

**Current Status:** As of 15 April 2019 - The Charleston District continues to meet with potential sponsors to determine federal interest for a variety of potential CAP projects. Letters of interest have been received from Lexington County, SC; Orangeburg County, SC; and Dorchester County, SC.

**Sponsor:** NA
