

**US Army Corps
of Engineers**
Charleston District

Program Fact Sheet

Support To 81st Regional Support Command

**Program Description
and Location:**

The Headquarters of the 81st Readiness Support Command (RSC) is located in Columbia, SC on Fort Jackson. The 81st RCS provides essential customer care and services to Soldiers, Civilians and their Families in the Southeast Region and Puerto Region, enabling supported Commanders and leaders to maximize resources and meet global requirements. The 81st RSC has a need for recurring Preventive Maintenance/Facility Investment and Municipal services for their facilities at over 300 sites (totaling over 700 building structures) located in 9 Southeastern states and Puerto Rico.

**Program Current
Status:**

In FY18, Charleston District executed five new Service Contracts and exercise options for 19 existing service contracts providing Facilities Investment and Municipal Services for the entire footprint of 81st RSC for approximately \$25.7M and awarded SRM Reset projects in the amount of \$12.7M.

In FY19, Charleston District will award six new Service Contracts and exercise options for 18 existing service contracts.

With the aftermath of Hurricane Irma & Maria, SAC continues to support relief efforts for the 81st RSC with our existing Contractor in Puerto Rico. To date, SAC has awarded over \$6M in projects supporting these efforts, with an additional \$4.5M anticipated awards.

Contracts Awarded in FY18: \$38.4M.

Future Activities:

Charleston District will continue to provide support to 81st RSC on an annual basis as workload and funding is provided from the customer.

Anticipated FY19 Execution: \$35M(to include additional funding for Puerto Rico).

Anticipated FY20 Execution: \$31M.
