**Authority:** Section 22, P.L. 93-251

**Location** NA  
**Description:**

**Project Description:** This program permits us to use our technical planning expertise to supplement and support state and Indian tribe efforts to undertake broad, statewide, comprehensive water resources planning. PAS studies are cost shared 50% Federal and 50% local. The non-Federal share may be provided as cash or a mix of cash and in-kind services or 100% work in-kind. Typical problems and opportunities studies under this program are related to flood damage reduction, water supply, water conservation, water quality, hydropower, erosion, navigation, and related environmental resources.

**Current Status:** As of 29 April 2020 - Coordination efforts are ongoing to manage the program.
