Charleston District

Program Fact Sheet

Support To Fort Jackson

**Program Description
and Location:**

Fort Jackson is located in Columbia, SC and represented by Congressman Joe Wilson (SC-2). It is the largest and most active Initial Entry Training Center in the U.S. Army, training 50 percent of all Soldiers and 80 percent of the women entering the Army each year. Fort Jackson is home to the U.S. Army Soldier Support Institute, the U.S. Army Chaplains Center and School and the National Center for Credibility Assessment (NCCA).

The fort includes more than 52,000 acres, including more than 100 ranges and field training sites and 1,160 buildings. The fort continues to grow as a result of the Base Realignment and Closure Commission's decision to make Fort Jackson the home of the Army's only Drill Sergeant School, the Armed Forces Chaplain Center and the 81st Regional Reserve Command. The U.S. Army Corps of Engineers, Charleston District took over as the Design Construction agent in June 2008.

**Program Current
Status:**

As of 19 April 2021 - Currently, Fort Jackson's Program includes 2 Military Construction Army (MCA) Project estimated at \$114M, and 10 Operation and Maintenance, Army (OMA) projects estimated at \$18M. Funding for these projects is questionable due to fiscal uncertainty. Typical facilities at Fort Jackson include barracks, dining facilities, battalion headquarters, classrooms administrative buildings and ranges. Fort Jackson currently has approximately \$32M under construction.
