Production Notes:

In no event shall the U.S. Army Corps of Engineers, Charleston District Office, Spatial Data Branch be liable for direct, indirect, special, incidental, consequential damages arising in connection with the use of data or products, including but not limited to, loss of anticipated profits or benefits arising out of the use of these products.
These data sets have been developed from the best available source data. Users should review all source data to determine if the data sets are accurate and reliable, errors and variable conditions. Source data may be more current than the data sets and may reflect conditions not shown in the data sets.
These data sets are not intended to be used for navigation.
Mariners are encouraged to use all prudent safety measures.
