<sup>1</sup> This form is for use only in recording approved JDs involving dry land. It extracts the relevant elements of the longer approved JD form in use since 2007 for aquatic areas and adds no new fields.

**B. REQUIRED ADDITIONAL COMMENTS TO SUPPORT JD. EXPLAIN RATIONALE FOR DETERMINATION THAT THE REVIEW AREA ONLY INCLUDES DRY LAND:**

According to Jasper County tax records, the subject parcel, TMS 041-00-04-009 is comprised of 6.49 acres. Information provided with the request indicates the site contains all uplands. An independent review of information confirmed the site is not likely to contain any waters of the U.S.. A previous JD was completed in 2006 by the Corps for 2 adjacent parcels in this area. Parcel 1 in the previous JD is the same as TMS 041-00-04-009 and identified no wetlands or aquatic resources on site.
